Jesse Bruce McElfresh (Bruce) passed away on the morning of October 14, 2019 at Kindred Hospital Sugar Land of complications due to Parkinson's Disease. He was 65 years old. A native of Texas, Bruce was predeceased by mother Pearl Louise McElfresh, father Jesse Howard McElfresh and wife Kimberlee Daniels McElfresh. He is survived by sister Robin McElfresh and brother Doug McElfresh. The most easy-going of the family, Bruce made friends wherever he went. Being born almost a decade before his siblings, he often served as a third parent figure to Robin and Doug, adding much supervised fun and learning to their lives. Bruce loved rock and blues music, traveling, performance cars, bowling and golf. He was a truly wonderful son, brother, husband and friend. He will be sorely missed.
