

Vicki Tanner Obituary Vicki M. Tanner was born May 4, 1949 in Houston, TX and passed away April 24, 2014 after a courageous nine year battle with ovarian cancer. Vicki was preceded in death by her beautiful daughter Tara but has now been reunited with her for eternity. Vicki leaves behind her husband Allan, who was her rock for all these years; Todd (her son and pride and joy); Jay (her daughter-in-law, who she loved like her own daughter); Jayden and Landon (her grandsons who were the sunshine of her life); her Mother Helen Mae and Father Paul E Milling as well as her Zeta sisters and many many friends from Houston to Atlanta and beyond. Vicki attended Spring Branch High School and graduated with an Interior Design degree from Texas Christian University in 1971. She will be remembered as an incredibly special person, who devoted her life to her friends and family, always looking out for the well-being of others before herself. The Tanner family would like to extend a special thanks to Texas Oncology who gave them more time with her than they ever anticipated.
